Education

bachelor's degree in
 biomedical systems
 engineering
 hajjawi faculity for
 engineering technology
 yarmouk university

shifa alkasasbeh
 irbid,jordan

About

Fresh Biomedical Systems Engineer
 Technical-minded biomedical engineering
 graduate seeking an employment in an
 organization for achieving high career growth
 through continuous process of learning for
 achieving goals

Experience

trainee
 coding academy by orange (02/2022)-present
 integrated design and development of programs using cods

 university trainee
 06/2019-01/2019 rprince rashid ben al-hasan military hospital

 teaching
 07/2020-01/2022
 teaching different levels of student at home

Skills

Soft Skills
 basic knowledge of web development.
 basic knowledge of biomedical equipments and their installation and
 maintenance requirements.
 Skilled in generating written documentation in the form of
 specifications and biomedical engineering reports.
 Written and oral communication skills and strong attention to
 details Highly organized work under pressure.
 Driving

technical skills
 basic knowledge of
 icdl,css,html,JavaScript,matlab,visualbasic ,c++ and
 microsoft office.

certificate

international computer driving licence course(ICDL)
 (08/2008)
 European computer driving licence fpundation
 hospital managment system workshop
 (10/2016)
 integrated horizons for traning
 matlab (basic)
 (03/2018)
 integrated horizons for traning
 css , html and JavaScript
 (01/2022)
